This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available map information.

This proposal concerns the erection of a single non-illuminated hording sign at the site entrance to Arundel Cricket Club which adjoins the public highway at an access point onto the A27. The A27 is operated, maintained and improved by the Highways Agency, whom from inspection of the documents on Arun District Councils website, have commented and would like to meet with the applicant to discuss the details of the sign and proposed placement. Therefore WSCC would not wish to comment on this application.
