Dear Sir/Madam,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Application No: AB/125/20/L
Site Address: 19 Maltravers Street Arundel BN18 9AP
Description of works: Listed building consent for a single storey rear extension and alteration to existing kitchen roof.

Thank you for your internet representation made on 2nd January 2021 which has been recorded as no objection with the comments as follows:

OWPC32498

The building forms part of the Listed Grade 2, three storey, imposing, and prominent terrace comprising 17-21 Maltravers Street and 1 Bakers Arms Hill.

The proposed extension is modest in scale and located on the rear elevation of the building with no public views of it and limited ones from nearby properties. As such there will be a neutral effect on the character or appearance of the conservation area.

The Panel's remit does not include an assessment of the effect of the proposal on the heritage significance of the individual building. However, it is suggested that far more detailed plans are required in order that the Council can make a proper assessment of the impact. For instance, no precise details are provided to indicate how the junction between the facade of the extension and its flat roof will be treated eg bargeboard or parapet. The finishes, materials and detailing chosen for this feature and the extension overall need to be high quality, otherwise there will be detriment to the heritage significance of the building.

Your views as made above will be considered before the application is determined.
