**Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)**

Application No: AB/127/20/L  
Site Address: Bay Tree House 16 Tarrant Street Arundel BN18 9DJ  
Description of works: Listed building consent for satellite dish to internal valley, retention of existing neighbour's TV aerial & removal of redundant tv aerial to east chimney.

Thank you for your internet representation made on 1st December 2020 which has been recorded as no objection with the comments as follows:

OWPC31831

The proposal to reduce the clutter of antennas on this important historic building is welcomed. It may be appropriate to establish what the height of the satellite dish will be above the valley floor although from the information shown on the plans it is most unlikely that it will be seen from public views. There will be no harm to the character or appearance of the conservation area.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
