Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - AB/128/20/TC

Application ref: **AB/128/20/TC**

Location: Cathedral of Our Lady and St Philip Howard, London Road, Arundel

Works proposed: Shorten tips of branches by 0.5m -1m of 1no. yew tree on the South and West quadrants of the crown, to be 4m above natural ground level

I undertook a desktop review on December 7th 2020, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed are justified and will not result in character of the surrounding area being diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
