Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Change of use and extension to create 3no. self contained apartments and 1no. maisonette. This application affects the character and appearance of Arundel Conservation Area
Arden Guest House 4 Queens Lane Arundel

Thank you for your internet representation made on 7th May 2014 which has been recorded as '**support**' with the comments as follows:

Caen Stone Court is next door to the applicant's property. The proposal represents a sensible development providing additional residential accommodation in the Conservation Area which is currently out of plan and should be welcomed.

The planned parking spaces will result in more cars parked on the site and an increase in traffic onto and from Queens Lane. The current parking restrictions in Queens Lane are inadequate and need to be upgraded with additional double yellow lines and a reduction in on-street parking. This will improve road safety for vehicles and pedestrians.

Quite clearly, measures will need to be taken during any resulting development to safeguard current access facilities for residents of Caen Stone Court and their vehicles.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
