Dear Anita,

Please could you take this email as written confirmation that we wish to withdraw the application. I have also had a conversation with the environment agency and understand the concern, and will be discussing with my client in due course.

Kind regards

David

Dear David,
Martyn's comments have now been received on the above application. As discussed, I therefore await withdrawal of the application.
Without prejudice I would also advise that having spoken with the Environment Agency they are likely to object to any application which contains all its accommodation on the ground floor, even with submission of the correct FRA.
Regards
Anita Gardner
