Dear Anita

I request the above application to be withdrawn.

I have a meeting on site with Clare Dales next Wednesday 17th in order that all matters can be addressed and further information provided as requested. We will then supplement the second application AB/149/17/L in order to encompass all matters on this project.

With regards

Andrew

Dear Mr Fuller,

I have discussed your e-mails and the Conservation Officer's views with Juan.

I can confirm that we can agree to an extension of time of 3 weeks until 11-01-2018 to allow for the Christmas break and receipt of additional information.

I will forward your e-mail to Clare for clarification. I am not in the office tomorrow, but if you wish to contact Clare directly her phone no is 01903 737593.

Regards

Anita Gardner

Dear Anita

I attach drawings number 171164/03A and 04A

Please could the Local Planning Authority itemise exactly on which items more information is required to grant a permission to this application? We request a short extension to provide this information.

Please note, no works have been carried out in the Lower Ground Floor except to repair (only, without finishes) the Chimney stack, shown in photographs to be in a dangerous condition.

There is additional work for which a further LBC application has been made.

I am aware that the Conservation Officer's comments were only received at midday today, following a visit one last week. I feel the visit provided insufficient scrutiny for this application to be refused, with the exception of the second floor skylight, which we are happy to remove pending further investigation ourselves.

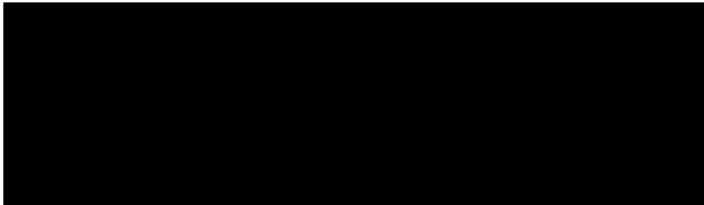

With thanks

Yours sincerely

Andrew
