Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 5th January 2021 which has been recorded as no objection with the comments as follows:

OWPC32563

This is not an objection to the plan. It is to register that not enough is being offered to assist either the new residents on the development or near neighbours access to Ford Station. The development really needs a cycle and Walk way along the front perimeter along the Ford Rd that can link to a cycle and walk way that will eventually run all the way to Ford station. If that is not done as part of the development then future costs will be higher to retrofit.

Andrew Batty
Chairman of the Arundel Cycling and Walking Group

Your views as made above will be considered before the application is determined.
