Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 11th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32772

Ford Road Development

This development seems very ill conceived on many counts:

1. After Brexit all green belt land is surely invaluable as farming land.
2. Where will development eventually end. Arundel will lose its very special identity being joined up with Ford.
3. The proposed field is a haven for many species of wildlife.
4. The Ford Road exit is most unsuitable as it is already extremely congested.
5. Ninety houses will have an adverse effect on local services including doctors and schools.
6. A proposed footpath in High Ridge Close would encroach on privacy where front gardens are close to the road. This road also has parked cars from allotment holders.

Your views as made above will be considered before the application is determined.
