Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 13th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32814

This is too dense a development, too far out of Arundel so residents from the development will have to use cars to reach shops, surgery and schools. This is a greenfield site which should be protected. The local infrastructure of schools & doctors needs to be improved if Arundel is to increase its population to this level.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the

application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
