Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 14th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32880

Ford Road is busy and dangerous, drivers very very often exceed the speed limit within the 30mph areas. This build will increase the amount of traffic in an already busy road and roads off Ford Road. This area is a greenfield site, the government have legislation to protect it. The elevated development will be visible to everyone. The density of the houses is by far higher than the houses existing in the surrounding roads. The priory pocket park which already exists next to this development is trying to support several wildlife and natural habitat that live survive here. Diminishing the line of trees on the boundary will clearly affect its survival.

Your views as made above will be considered before the application is determined.
