Please upload onto Ocella the email below which is an objection from a local resident to outline planning application AB/135/20/OUT.

Thanks,

No doubt this application will be a "shoe-in" because it's the Duke of Arundel but in any event I strongly object because of hugely increased traffic on the already nightmareish Ford Rd and the strain on local facilities, in particular the Doctors Surgery and Schools.

Please do not allow old-school Patricianship cloud your judgement on this.
