Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 18th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33009

Dear Sir

Please register our objection to this planning application.

We object on the following grounds.

The location of the site is unsuitable being it is a greenfield site. The impact the development will make on wildlife, the surrounding areas including Priory Lane and Tortington Lane, along with the semi-rural location of the site, will be significant and irreparable.

The site location will cause an increase of car traffic on local roads including Ford Road. This will negatively impact road, bicycle and pedestrian safety.

The site location also means that residents are likely to have to drive to access local services in Arundel, which is highly undesirable.

Introducing this volume of additional housing into Arundel will negatively impact access to GP and school services which is already very difficult.

Kind regards

Trevor and Sally Andrews
