Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 19th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33044

Concerns- Traffic on Ford Road. It is already a very congested, busy road, being used by increasing volume of traffic, including heavy traffic, causing traffic jams with little decrease in volume during lock down. More houses would increase the flow and the number using the residential roads as short cuts.

Air pollution caused by idling engines waiting, would increase

The Doctors surgery. The surgery is already very busy and it's not unusual to wait two weeks + to see a doctor (this is before the pandemic)

Schools, do they have the capacity for more children?

Safety - There are no pavements for pedestrians to walk to Arundel for schools, shops etc

Your views as made above will be considered before the application is determined.
