Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 20th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33111

We are very aware of the diversity of this scheme and the problem of sustainability regarding recycling and waste. The most important aspect is the building continuing to Littlehampton which will make Arundel a suburb of Littlehampton. This is a wonderful field full of wildlife which is so needed in this area. There are huge problems with extra people requiring doctors appointments which are now currently over a month before you are able to arrange one. Schools and other local services are under considerable pressure too. The transport in this area is mainly cars and we have big concerns about the Dalloway Road exit becoming available. Ford Road has extreme problems at the moment and is often very congested and dangerous. The Duke of Norfolk has no knowledge or interest in this part of Arundel so has no concern about the stress he is putting on the people in this part of the town with this development.

Your views as made above will be considered before the application is determined.
