Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 21st January 2021 which has been recorded as an objection with the comments as follows:

OWPC33146

We strongly object to this planning application for the proposed development of 90 homes on a greenfield site which should be fully protected by the planning people for this area.

All local amenities, doctor surgery, schools, are already overstretched. Ford Road is a very dangerous road with large lorries and many cars and with the planning of the new by-pass not even having access on it. Large lorries will continue to use Ford Road to travel north and south. These 90 houses will almost certainly use Priory Lane and Tortington Lane which is a single track country lane used by walkers, cyclists and horses as a rat run to leave the area and to get to the so called new by-pass (if it is ever built) New houses should be built on brown field sites or in areas which can accommodate the extra people. This green field site should never ever have been considered for any development.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.
