Subject: Application AB/135/20/OUT and local infrastructure

Dear Mr Eastham,

I live in the Ford Road and I am concerned about the increased flood risk and increase in traffic associated with this proposed development. However, I also recognise the pressure for more housing across the Arun District.

My specific point is regarding the possible provision of a free standing nursery space on the site. I firmly believe that such a provision should sit with the nearby very popular but in need for expansion of an existing school site (Arundel Church of England School) as this would enhance a successful provision rather than make it potentially less viable.

John Morrison
