Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 22nd January 2021 which has been recorded as support with the comments as follows:

OWPC33169

Arundel is greatly in need of affordable housing, the inclusion of 30% affordable housing, working with Arundel Community Land Trust is a positive step in meeting these needs. Current house prices and rents in Arundel are unaffordable to many local families, having controlled rents and houses available through shared ownership will help combat this. Arundel has had no considerable housing development since the 90s, before this new houses were built each decade helping to house local families.

In order to help with transport and connectivity to the site I feel a foot and cycle path linking the site with both Ford station and central Arundel to promote sustainable transport. The diversion of the number 9 bus route to include the new development would also be advantageous. The inclusion of land for the benefit of the whole community is also promising. For these reasons I support the development.

Your views as made above will be considered before the application is determined.
