Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 23rd January 2021 which has been recorded as support with the comments as follows:

OWPC33172

I support this application because of the proposals to bring truly affordable homes through a Local Lettings Policy which will contribute to Arundel sustaining a thriving community. The involvement of the CLT is critical to enable and ensure this. The biodiversity proposals look along the right lines and it will be critical for all partners to work together with the community to deliver net biodiversity gain and on-going benefits for wildlife and green infrastructure. The proposals for Ford Road traffic to be much bolder: definitely lower speed limit, but really only radical traffic calming will address understandable local concerns. A functional safe walking and cycling route to Ford Station will encourage Arundel's young people to develop non-car habits during their secondary school years and provide options for all to reduce car usage.

Your views as made above will be considered before the application is determined.
