Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 24th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33175

We are concerned about this application because:-

- i. It is a green field site outside the current boundaries of Arundel and would encourage further development down towards Ford.
- ii. Ford Road is already busy with traffic; the proposed exit from the development onto the road, is in a dangerous position where several accidents have already occurred in the past.
- iii. With ? 200 extra cars, Ford roundabout will become more congested and traffic will rat run up either Priory Lane, a quiet country lane, or Maxwell Rd and Torton Hill Rd to access the westbound A27.
- iv. There is no provision for a cycle path or footpath from the development to Ford Station.
- v. We recognise the need for social housing for local Arundel people but we do not feel this site should be developed.

Your views as made above will be considered before the application is determined.
