Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: AB/135/20/OUT  
Site Address: Land at Ford Road Arundel  
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 24th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33179

This is an unnecessary extension of the residential area south of Arundel to the west of the Ford Road. This is an existing greenfield site creating a barrier between the residential and the semi rural of Tortington. The Ford Road cannot cope with the current level of traffic let alone the additional traffic created by these additional houses. There have been numerous accidents and at least one death on this area of the Ford Road in recent years. Additionally, the north end of Ford Road, particularly between the terraced houses is a nightmare most days and is almost impassable with the volume of existing traffic. We object most strongly to this development being allowed.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>
