Dear Sir

I have made an objection to the proposed application above by myself and my Wife also, I would be obliged if yourself, and other members who will be handling this application come and visit my house at 15 Dalloway Road BN189HJ , and see for yourselves the impact of this first hand and take pictures for yourself, the View that was given by Savils Photos, compleatly gives a false image of the area and enviroment and no resemblance whatsoever.

I have in my posetion pieces of tile that have been unearthed all over the whole field and a Roman coin, that is also in the same area, on an Ancient Map that was on the list of plans by Savils , a path /road with banks runs from the

A27 at the White Swan Hotel, adjacent to Priory Lane across Dalloway Road, and across the Field in question to the Old Priory I do not know if this has been taken into consideration , where houses will be built?

I will pass this information on to Historic England for their views also, We had our House valued by two Estate Agents , who said if this Development goes ahead we will lose between £70,000 to £100,000 prior to what we could get today!! What compensation would we expect to receive, !!!!!!!!!!! not that we want to move as this has been our house for 35 years plus

I will be contacting Historic England to inform them of what I know about this Field and History, I expect a reply, and a visit also from you at the soonest opportunity , if I do not hear back from you we will then have to seek Media , and Television, coverage as this part of Arundel /Tortington is Countryside that must remain in Agriculture / Wildlife.Yours faithfully Richard Faggetter
