Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**

**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 26th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33231

This is a greenfield site and therefore subject to protection under existing government legislation. Furthermore despite Ford Road being clearly marked as unsuitable for heavy goods vehicles we seem to have a constant stream of these down the road and combined with regular traffic this already causes severe bottlenecks, congestion and a pedestrian danger.

The Arundel end of Ford Road has no infrastructure provision to allow for a further 200+ Properties that would also contribute to an increased flood risk.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. Some applications will be determined by the Development Control Committee, and I shall write and inform

you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
