Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 28th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33329

I strongly object to the proposed development, I don't see the need to concrete over productive farmland when there are still Brownfield sites available to build on. If this development is allowed to go ahead it will set a precedent and we will have housing estates all the way to Climbing covering productive farmland, there are hundreds of houses being built in Wick and Littlehampton to cover the areas needs. Local people will find it increasingly difficult to get a doctors appointment and the schools are already full. As far as the emergency access onto Dalloway Road, this will soon become the exit/entrance of choice to avoid the bottleneck on the Ford Road. The developers need to think about the local population and take note of the 600 plus signatures of local people objecting to this development. It would seem profit is far more important than the well being of local residents!

Your views as made above will be considered before the application is determined.
