Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT

Site Address: Land at Ford Road Arundel

Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land. This application is a Departure from the Development Plan, affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 28th January 2021 which has been recorded as no objection with the comments as follows:

OWPC33335

There has been no significant development in Arundel for some 30 years. This development follows a pattern of development Arundel has seen in previous decades, with land given by the Norfolk Estate.

I am pleased to see this development being led by a Community Land Trust, of which I am a member. This will enable a significant number of social housing for local residents, something very much missing from the town.

I do want to see the development have pedestrian and cycling access to existing housing, so that it isn't isolated like so many new housing that the District Council has approved elsewhere.

I do want planners to carefully consider road access to the site, as access onto ford road, would be close to blind bend with traffic approach at high speed.

Your views as made above will be considered before the application is determined.
