Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land, including land for a community building & for a community allotment. This application affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 8th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34332

Thank you for the opportunity to comment on the updated plan but these have failed to address many of the concerns raised by Historic England, South Downs Planning Committee as well as the local residents. For example on page 6 of the DAS addendum it shows how out of keeping the housing density will be when compared to the surrounding area property mix. In addition the destruction of the habitats of red listed birds and the dormouse as well as the South Downs night sky. Finally, with progressive infilling of the Ford Road fields the increase in traffic despite a small contribution from the developers for new junctions but with no promise from the Highways Agency to address this leaves this development plan in many people's opinions untenable.

Your views as made above will be considered before the application is determined.
