Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**
- **Report any planning compliance issues**

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Visit Arun's web site at www.arun.gov.uk

Save the environment - think before you print.

Subject: Application AB/135/20/PL - Rerouting of HGV traffic

Dear Sirs,

With regards to the above planning application Walberton Parish Council wishes to comment as follows:

Walberton Parish Council supports Arundel Town Council's Neighbourhood Plan inclusion of the site but not their comments about HGV movements: "Arundel's Planning Committee recommended that they approve the plan and request HGVs be routed to Yapton Lane as going north up Ford Road isn't good for HGV's."

Yapton Lane, Walberton, is an equally narrow road with HGV's unable to pass each other at the northern end, so it Walberton PC's view that Arundel Tc's recommendation that HGV's be rerouted along this road should be ignored, and HGV's should be directed to go south from the site to the A259 for onward travel.

Yours sincerely,

Andy Peppler - Clerk - Walberton Parish Council
