Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AB/135/20/OUT
Site Address: Land at Ford Road Arundel
Description of works: Outline application with some matters reserved (except for access) for the development of 90 dwellings & associated amenity land, including land for a community building & for a community allotment. This application affects the setting of listed buildings & affects the character & appearance of the Arundel Conservation Area.

Thank you for your internet representation made on 31st March 2021 which has been recorded as no objection with the comments as follows:

OWPC34854

The Committee have no objection to the Application.

The Committee wanted to be clear as to why they are very supportive of this development despite the number of oppositions:

- It is in Arundel's Neighbourhood Plan which has been through a local process and has been signed off by residents.
- It is a low intensity development and if it does not happen up to 200 homes could be built on the same site.
- Careful work has been done to landscape the development and mitigate the impact on surrounding development and the Arun Valley.
- The Committee were satisfied that despite concerns over rat running on Dalloway Road and Priory Road, the plans are clear that access from Dalloway road will be emergency only and necessary steps have been taken to mitigate any risk of rat running.
- The development will provide much needed affordable homes for residents.

Your views as made above will be considered before the application is determined.
