Thank you for your internet representation made on 9th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35051

I object to this planning application on the basis of noise pollution, light pollution and traffic pollution in an unsustainable location and destroying the natural habitat.

I also object to the fact that the consultation including a burn along the border with Priory Lane to alleviate the noise from the properties on Priory Lane and this has not been included in the planning application. Please can you ensure that a burn is included.
