Michael and Martin, I've now had the opportunity to study the terms more closely and you should now proceed with those terms.

I have perused these , they seem reasonable to me , but I am still mindful of some members' somewhat inflated expectations!

Michael, I'm presently driving to [REDACTED] and have only had the opportunity to read this at a brief refuelling stop. On a quick reading the terms of the S106 look fine to me and I will leave Martin to make a closer inspection.
