I haven't discussed with Juan yet.

I don't think my report will be ready for sign off by Friday since it is Committee close and I have several reports to write up as a priority first. I will try to speak to Juan this week and give you any feedback by Friday. Would you be happy to agree to an EOT until the end of next week 21-02-2020 on this basis?

Regards

Anita

Hi Dawn,
I've gone back to legal today, their first response didn't really provide any clarification. I'll come back to you when they reply.

Morning Anita,

Hope you had a good day off and survived the storm!

Can you give me a call when you clarify the points with legal that we talked about? We need to give the vendors some timescales or its all going to go wrong!!

Many thanks for your help.

Dawn
