

A line drawing of a two-story house. The house has a gabled roof with a chimney on the right side. The front facade features a central entrance with a small porch supported by two columns. There are four windows: two on the second floor and two on the first floor. A side extension is visible on the right side of the house. The drawing is simple, using black lines on a white background.

A line drawing of a house with a chimney and a large window. The house has a gabled roof and a chimney on the left side. There is a large window on the front facade with a decorative frame. The drawing is simple and uses black lines on a white background.

A detailed architectural line drawing of a house and a detached garage. The house is a single-story structure with a gabled roof. A chimney is located on the roofline. The front facade features a central entrance with a small gabled porch supported by columns. To the left of the entrance is a large window with multiple panes, and to the right is another large window. Above the entrance is a small transom window. The detached garage is located to the left of the house and has a gabled roof and a single door. The drawing is a black and white line art style.

A simple line drawing of a house. The main house has a gabled roof with a chimney on the left side. To the right of the main house is a smaller structure, likely a garage, with a flat roof. The drawing is composed of black outlines on a white background.

A horizontal number line with tick marks at -5, -2, 0, 2, 5, and 10. The segment from -5 to 0 is shaded gray.
