Details of the pre-application advice received

Email of 7 September 2021 from Calvin Baylis to Andrew Batty of the Farmers Market working Group and Mayor Tony Hunt (cc. Jackie Follis and Joe Russell-Wells):

"I can confirm that Andy and I had a positive meeting and we have spotted a location we both feel would work. However as I explained to Andy I am looking at this from the car park operational point of view and I would need to consult with other Officers who may need to be involved in the discussion and final agreement. I have spoken to these officers and have received the following responses.

1. I have spoken to Roger Spencer in our Engineers Department regarding the location of the container to the drains and gully. He has confirmed that the drain cover should not be covered by the container. Basically the container should be at least 400 mm from the kerb. He has marked out where the end of the container should be. Andy you may wish to go and have a look to see if that should still be okay. It still only occupying 1 bay so I have no objection.

2. I have spoken to Chris Best in planning regarding permission and he has advised me to contact Juan Baez. However he thinks that the Town Council will need to ask for Planning Permission. I will get back to you once I have received a definitive answer from Juan.

3. Finally I have spoken to Paul Broggi in Property & Estates and he has advised me that a licence will be needed to allow the container. This will attract a cost and there will be a requirement to use the Legal Team to draw up the agreement which could take some time. "
