Hi Anita,

I can confirm that tree 'a' is a bay (*Laurus nobilis*). I can also confirm that I added 'cherry' by mistake to 'c'.

Kind regards

Dafydd

Hi Dafydd,

I have spoken to Mr Pullen who is the Development Manager at Martlets Court. He has advised that the above permission refers to tree 'a' as an oak, when it is bay and tree 'c' as a cherry when it is plum. I have discussed the matter with Juan and I have suggested that Mr Pullen contacts you. If you agree that the trees were incorrectly named and should be referred to as above then if you can confirm it in an e-mail and copy me in I can arrange for

the e-mail to be scanned against the application and the works can then proceed without the need for a further application.

Thanks

Anita
