Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Change of use from shop (A1) to domestic garage (C3)
70A Tarrant Street Arundel

Thank you for your internet comments made on 25th November 2008 and recorded as follows:

The Arundel Town Council Planning Committee objected to the application on the grounds that the use of the access to the development would cross part of a well used pavement and result in conflict with, and cause potentially dangerous conditions for, pedestrians. Its unsympathetic design and such an inappropriate use would also be out of character and appearance with its surroundings. □

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Zachary Ellwood
Interim Head of Development control
