Dear Arun Planning

I am sending in support of my objection ref: OWPC4601 dated 20 December 2014 two jpeg photographs showing the view towards the north east from my garden and property.

Hopefully these photographs illustrate my objections to this proposal on the grounds of losing protection from N.E. winds to the adjacent Box Tree (awaiting a TPO from Arun District) and loss of bird nesting and natural cover currently offered by this mature tree.

Many thanks - Bill Philip
