Dear Jackie,

Thank you for your email. Time has moved on somewhat and I have seen it from your neighbours garden (house on the left looking from the road). She was very helpful and very supportive of your application. I now no longer need to see from your garden.

If you wish to send in a picture(s) of the frame from your garden you are welcome to do so.

Regards,

Ross

Dear Mr Leal,

Firstly I apologise for not responding to your email of 11Feb, I've just found the email as I was deleting some mail. It had been in the All Mail box not in my Inbox for some reason!

I understand you need to get in my garden to see the climbing frame. I am home for most of the day today and tomorrow so if you would be able to visit please ring on my house phone 01903 882008 or my mobile 07817 064 869. Or indeed to make an alternative appt.

once again I apologise for the delay it was not intentional and let me assure you I am not trying to be difficult. I await your phone call.

Regards, Jackie Ruff

Dear Mrs Ruff,

I called by today to post a site notice (opposite your dwelling on the lamppost). I have tried to call and now am emailing you.

I am dealing with you application and would like to arrange to view the climbing frame from your property. I have viewed it from no.23, who was at home and has no objection she advises.

Could you advise of a suitable time next week when I might visit, during normal office hours please? I need to gain access to the rear of your property. Happy for you to simply email me back with days/times.

Many thanks,

Ross
