Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

To provide 4 No. detached houses on existing semi natural woodland site. This application is a Departure from the Development Plan.

Wooded Land South West of Dalloway Road Arundel

Thank you for your internet representation made on 28th January 2018 which has been recorded as '**an objection**' with the comments as follows:

I object to this development on the following grounds:

- 1) This is ancient woodland with around 35 large Oaks as well as many more large native trees, the majority of which will have to be destroyed to squeeze in the 4 houses and access road.*
- 2) The resultant development appears to have limited parking, with access from Priory Lane which is a very narrow single track run down road with no facilities for parking on the road.*
- 3) This woodland is of Ecological value with many varied plant, bird and animal species which is used as trail by local deer.*
- 4) Houses proposed are not within the "affordable" category.*
- 5) When the proposed A27 by-pass is built (assuming it is the buy-pass not the through pass) this woodland will help screen some of the noise and environmental problems that will inevitably occur.*
- 6) This woodland area is used daily by many walkers, hikers and cyclist.*
- 7) Destroying this ancient and beautiful environment for the sake of 4 up-market properties seems senseless, with the incalculable losses to the masses for the sake of the few.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
