Dear Sir, or Madam,

Regarding planning application for four Detached Houses on existing semi rural natural woodland (wooded land South West of Dalloway Road Arundel, Ref: No. AB/148/17/PL) I am in objection to this on the grounds of precious woodland is disappearing, and this strip was always to be kept as a natural break with footpath crossing to Priory Lane (which should run straight through the middle, but seems to have been moved to border the adjoining field?) It would mean taking out well established and healthy oak trees, and losing more wild life area. This whole area is under threat as it is to remain green Belt.

Yours sincerely

[REDACTED] (MRS)
