Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No:	AB/150/21/PL
Site Address:	Land adjacent to 30 Ellis Close Arundel BN18 9LG
Description of works:	Erection of 3no. 2 bedroom dwellings with associated parking and landscape. This application is in CIL Zone 2 and is CIL liable as new dwellings.

Thank you for your internet representation made on 27th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43773

The car park is vital for the close, it's always busy when the residents are at home.

Once the car park has gone, where do all the cars then park?

Not to mention all the extra cars that the new properties will have.

Canada road will become even more concentrated with extra vehicles, and the road, which is already a rat run for the impatient will become even more congested and dangerous.

Surely houses or parking in place of the unused play park at the end of the close would be more sensible?

Your views as made above will be considered before the application is determined.
