17 King Street
Arundel
West Sussex
BN18 9BJ

For & on behalf of:
Mr & Mrs I Graham
17 King Street
Arundel
West Sussex
BN18 9BJ

Ref: IG01/SoP/25

Photograph 1: To show the front elevation on King Street that is not affected by the proposal and remains unchanged.

Photograph 2: To show the rear elevation of the plant room which formed the extension to the property completed around 2006, under application reference number AB/46/02/L and is where the proposed new ASHP is to be installed.

Photograph 3: To show the proposed location of the ASHP in the wider context of the rear elevation of the property.

Photograph 4: To show the existing gas boiler located in the plant room.

Photograph 5: To show to the existing hot water cylinder located in the plant room to be replaced as part of the ASHP installation.

Photograph 6: To show the internal pumps, pipework and controls which will be changed and adapted during the ASHP installation.

Photograph 7: To show the approximate proposed location of the ASHP shown by a 'massing box' and for illustrative purposes and is not to scale.
