Dear Ms Holland,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: Listed building consent for ground floor rear bay window extension.
Location: 15 Maltravers Street Arundel BN18 9AP

Thank you for your application which was received on 23rd December 2025. I am writing to acknowledge that it was accepted as a valid application on 9th January 2026. On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact **Silvie Steiningerova**, the case officer who is dealing with your application.

The Council will publicise this application by way of a site notice on or near the application site and on the website. **The site notice needs to be displayed until the date indicated on it for comments and for not less than 21 days.** If there are any problems with regards to the site notice (E.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 12th February 2026. You can follow how your application is progressing on the Council's website:
https://www.arun.gov.uk/planning-application-search

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 9th January 2026. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 9th January 2026 or agreed in writing to extend the time in which the Council make a decision, you have 6 months in which to appeal to the Secretary of State. Your appeal under Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990 would be that the Council has failed to make a decision and you would be asking a Government Planning Inspector

to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or from the Planning Inspectorate: http://www.gov.uk/topic/planning-development/planning-permission-appeals/

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal within 6 months from the date the decision was issued.

This acknowledgement only relates to this application and not to any other types of planning application or other kinds of applications you have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website https://www.planningportal.co.uk or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: https://www.arun.gov.uk/buildingcontrol

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely

Neil Crowther
Group Head of Planning
