Dear Mrs Johnson

Re: Longmace House, 8A the High Street, Arundel – Your Ref: AB/15/18/PL

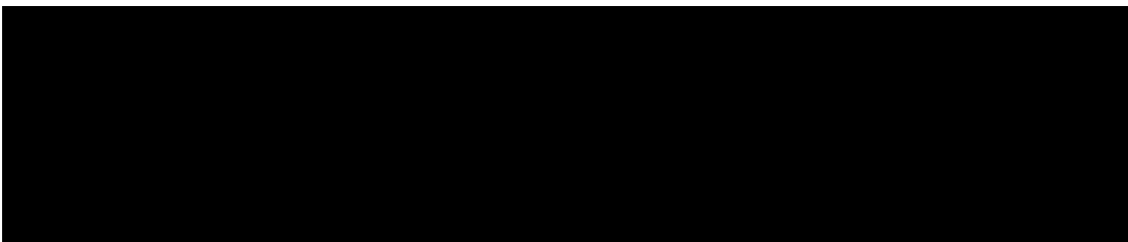

Further to our recent telephone conversation regarding the above application for change of use, I have now completed various sections within the Planning Application Form which were not completed in the original application. A further three copies of the Application Form are enclosed with the amendments marked in 'red' so I trust that this is now acceptable.

I also enclose for your attention three copies of a 'Design & Access Statement' which has been prepared as you requested. As you will see I have, in Section 8, referred to the various historical uses of the building, one of which was for the upper floors to be as residential use, and I am sure that your own records on the property will confirm this.

I trust that this has satisfactorily dealt with those particular questions.

With respect to the location plan, I will deal with this on Monday when our CAD person is back in the office, as at the moment he is out on site.

Regards.

Graham Moore
