Mr Moore

The above application was due for a decision by 14 May 2018. Unfortunately this has not been possible due to staff shortages.

The report is written and recommended for approval. However, in order for us to show that we have met the national targets for determining planning applications I am requesting your agreement to an extension of time until 20 July 2018. This way, the decision can be recorded as being made 'in time'. Your urgent agreement to this would be appreciated so that the decision can be issued.

Regards, Neil
