Dear Sir/Madam

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed building consent for a two storey extension, single storey rear extension and external staircase.

Mews House London Road Arundel

Thank you for your internet representation made on 13th March 2019 which has been recorded as '**an objection**' with the comments as follows:

13th March 2019

Application ref: AB/15/19/L

I am writing to you as a resident of Tower House Gardens. I object strongly to the planning application for the Mews House, London Road, Arundel. The reasons for my objection are listed below.

Due to its location and design, the proposed development, if allowed to proceed, will be a most unattractive feature in Arundel and London Road and its environs in particular. The proposed build is not of traditional design. It is not in keeping with the existing adjacent buildings i.e. St Wilfrid's Priory, the Parish Church of St Nicholas and the Cathedral of Our Lady and St Philip Howard. It neither preserves nor enhances the character of the Conservation Area.

The proposal, because of its siting, scale and height would affect adversely the visual amenities of the area. The extension is on the southwest corner of the house and the front west side of the sunroom, with its door and its prominent external staircase, would inevitably be clearly visible from London Road. While I appreciate that conservatories are permitted development at ground level, this proposal constitutes a conservatory at FIRST floor level which would be an inappropriate and dominant feature in a conservation area.

Yours faithfully
