11th December 2014

Dear Mrs Gardner

23 King Street, Arundel. BN18 9BJ

Further to my letter dated 22nd October 2014 please find enclosed our fresh application for the above that includes copies of the completed application form, householder validation checklist, drawings and together with a Design and Access Statement incorporating a Heritage Statement.

As this is a second application we understand that a Planning application fee is not required (our previous applications were referenced AB/112/14L and AB/101/14/HH).

We hope that the above information provides all that you require and will be sufficient to enable an adequate understanding of my proposals to be reached in the available 8 week time frame. However, please let us know if there is anything more that you need.

We very much hope that this second application that includes significant enhancements will obtain a positive outcome, however, please contact us in sufficient time for a meeting to be held and for us to react if for any reason the application will not be approved.

Yours sincerely
