Dear Sir or Madam,

Mr. David and Mrs Monica Clifton showed us the designs of the modifications they would like to do in their property at 23 King Street Arundel which is next door to ours.

From the little we have seen of this house in the past, we know that it is badly in need of some remodelling and updating.

In our opinion what Mr. and Mrs Clifton would like to do seems to us very reasonable, and we have no objection.

Yours faithfully

Gilles and Margaret Nullens
