Dear Mrs Gardner,

23 King Street, Arundel. BN18 9BJ

Planning Application Nos. AB/166/14/HH and AB/162/14/L

Before my retirement I had worked for more than 30 years in the office of Sir Denys Lasdun, most famous for his design of the Royal National Theatre, which is itself now a Grade II* listed building, so I have some knowledge of architectural design.

I have examined the application by my neighbour for his house at 23 King Street, and consider the proposed alterations and renovations to be most appropriate and sensitive to the existing building.

I therefore wish to give it my full support.

Yours sincerely

Philip Wood
