Dear Madam,

Planning Application Nos. AB/166/14/HH & AB/162/14/L

I write in support of the above planning applications for restoration & improvements to 23 King St.

Arundel has been my home for the past thirty-seven years and I have been visiting it since I was born. My mother & her family were born here and, wherever we have lived, Arundel has been looked on as 'home'.

I lived in a rented property in King Street for two and a half years after my husband's death and the sale of our house in Saltrevers Street. The King Street property had been renovated very successfully downstairs to make one large room with French doors to the garden.

I would not agree to anything that was detrimental to an Arundel property and, having seen the plans for No. 23, and having visited the house, I have no hesitation in approving every improvement suggested.

Yours faithfully

(MRS. A.M. PEDUZZI)
