Dear Miss Garner

Following our telephone conversation please find attached the additional information for the Listed Building Application at 61 Maltravers Street.

1. AS535-08 Proposed Plans & Block Plan

I've marked the location of the new window on the Block Plan (Scale 1:200 when printed at A1) and the Ground Floor Plan (Scale 1:100 when printed at A1)

2. 61 Maltravers Street Design and Heritage Statement

The name has been changed as requested.

3. 61 Maltravers St Materials

I've listed the materials to the new window on the rear elevation. If details are also required could this please be done as a condition? As I'd need to visit site and survey the existing windows.

If you have any queries or require further information please do not hesitate to contact me.

Kind Regards

Jason Lintott
